

Invitation of Expression of Interest (EOI)
From
River Basin and Green Area Development and Administration Agency (RBGADA)
For General Contractors
For the feasibility study, design and construction of sanitation and beautification infrastructures
International Competitive Bid (ICB)

Country: Federal Democratic Republic of Ethiopia

Name of the Project: Riverside development project in Addis Ababa

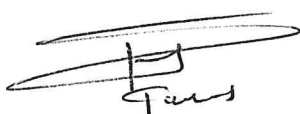

Contract title: Feasibility study, design and construction of sanitation and beautification infrastructures in Addis Ababa

Procurement Reference Number:

The Government of Ethiopia has received financing from the Government of Italy for a project entitled "Riverside development project in Addis Ababa". The River Basin and Green Area Development and Administration Agency (RBGADA) acting as executing agency for the funds, intends improve the environmental health conditions of a stretch of the river Kebena and promote environmental tourism in the area through the construction of sanitation and beautification facilities.

Tasks to be undertaken by the Construction Company:

- a) Assess the current regulatory and administrative aspects related to water, sanitation and land management at City and National level;
- b) Collect and analyses data on water, sanitation, utilities, land management, urban structure, hydrogeological context, social and institutional context;
- c) Develop a feasibility study for the rehabilitation/construction of public sanitation infrastructures, wastewater management systems, laundry facilities, river engineering infrastructures, trekking paths, resting areas, parking sites;
- d) Develop detailed engineering design of all infrastructures;
- e) Develop detailed mobilization and implementation plan, environmental management plan, workers' health and safety management plan;
- f) Implement all expected construction works;

- g) Provide as built drawings, specifications, operating manuals;
- h) Participate to a project closure workshop.

The Construction Company is expected to cooperate and coordinate closely with a Consulting Company, which is expected to review and approve all the submitted technical documents and to inspect the construction works.

The River Basin and Green Area Development and Administration Agency (RBGADA) now invites eligible construction companies to indicate their interest in providing the services. Interested companies must provide full background information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar conditions, availability of appropriate skills among staff, etc.). Companies may associate to enhance their qualifications.
